

Valley – Intersection of Burbank Blvd & Van Nuys Blvd (southbound)

Mid-City – Intersection of Venice Blvd & S Western Ave (northbound)

THE AVENUE

Celebrating the vibrant colors, stories, energy and cultural diversity of Los Angeles

Classic geometries and modular elements are merged with diverse colors, local art, and authentic stories of each community.

The flexible and modular kit of parts provides shade, seating, security lighting, amenities, community identity elements, bus stop identity, advertising, and information technologies to enhance the bus rider experience at any location.
